## CLASS XI ADMISSION NOTICE

Dear students and Parents,

The school will allow online registration for Provisional Admission to Class XI on May 25, 2022. Please read the guidelines and proceed to fill out the provisional registration form.

### Important Information:

- The **ONLINE** provisional application form for Class XI is available on our website and Parentsalarm (School App) from May 25, 2022.
- The **OFFLINE** provisional application form for Class XI is available in the school office on May 30-31, 2022.
- A candidate must bring along the **ADMIT CARD, PRE-BOARD** Exam Report Card and/or **TERM I** board mark sheet for verification.
- The admission committee will complete the initial scrutiny and other formalities by June 6, 2022. The committee will also publish the candidates shortlisted for provisional registration.
- The admission committee will set up an interview board to ensure deserving candidates get admitted to the appropriate stream. The interview will be on June 14, 15, and 16, 2022.
- Provisional admission only guarantees that a student can attend the classes temporarily. We want to begin the course before the results to save time and ensure the completion of the class XI syllabus on time.
- The course will begin with a formal inauguration on June 24, 2022.
- Therefore, provisional registration does not entitle the candidate's permanent admission to the school. In addition, a candidate must secure the required percentage of marks. Finally, the candidates and parents must sign a consent form to avoid conflicting situations after the results.
- After the board results, the admission committee will confirm a candidate's seat for the concerned stream after ensuring that the candidate has secured the required academic score.
- Kindly note that due to a limited number of seats, it will not be possible to admit all applicants.
